MARZEMINO I.G.T.

Marzemino is a red Italian wine grape that is primarily grown around Isera, south of Trentino but is cultivated also in Veneto and is well known for its mention in the opera Don Giovanni of Wolfgang Amadeus Mozart. The vine ripens late and the wine produced has a characteristic dark tint and light plummy taste. Marzemino has a great freshness and the inviting easy-drinking style combined with the vigorous personality and structure.

Grape varieties: 100% Marzemino

Production area: Veneto Region

Vinification and ageing: Harvested on the middle of September, 15 day fermentation at 20°C in glass lined cement vats, followed by traditional malolactic fermentation. Ageing 7 months in glass-lined vats.

Description: Intense, lively ruby redcolour, warm, rich and very fruity aroma, vivacious, with steady development, mirroring faithfully the aromas on the nose and adding cherry and liquorice; the finish is subtly sweet.

Food pairing: Roasts, both of light and red meats, pheasant, guinea-fowl and game.

Serving temperature: Serves at 16° C

Alcohol level: 12,5 % vol.

Bottle size: 750 ml
